The Destination Workplace is Here — and We Want You to Experience It!

Logitech, Steelcase & Corporate Interiors personally invite you to an open house at the WorkBetterLab in Philadelphia.

Join us for an evening of drinks and appetizers while learning how the best-in-class solutions can help you create a unique and exceptional workplace experience for

hybrid workers. See how space can be amplified for performance when combined with leading edge tools and services, including Logitech Sight and the Logi Dock Flex during this exclusive event sponsored by Logitech, Steelcase, and Corporate Interiors.

Join us on Thursday, December 7, between 3:00-7:00 p.m. and...

- At the top of each hour, hear a mini presentation on the featured solutions
- Step into inspiring, holistic workspaces – signature room, personal workspaces (including hotel and hot desking) and huddle rooms
- See Logitech’s newest advances in video collaboration technology in action
- Get tips and expert advice for improving the hybrid work experience for all your people, regardless of where they’re working
- Win prizes throughout the sessions

Don’t delay! Space is limited. Register today to reserve your spot for the event.
