* Please Note: Standard AV system pricing in this document is for budgeting purposes only and does not include taxes. Factors that dictate the final pricing for a system may include project location, local labor rates, union labor requirements. Any project budgeting exercise using this pricing guide should include a 10% contingency.

Encourage active collaboration while allowing everyone to stay on camera to brainstorm or solve complex problems.

Design Considerations:

Logitech Rally Bar Mini and large monitor support this Zoom® Room, allowing people and content to easily be seen simultaneously.

Moveable markerboards maximize the content captured on the Logitech Scribe Whiteboard Camera. A standing-height table lets people easily transition to the markerboards and stay on camera.
